

HELP FIND THE HOMERUN CURE FOR ALL CANCER.

JTHF was founded by Tim and Cindy Hayden in September 2004 after their 12 year-old son Jeffrey was diagnosed with an inoperable malignant brain tumor known as diffuse intrinsic pontine glioma. Today they have joined forces with The Cure Starts Now to continue Jeffrey's legacy by funding promising research.

JTHF has been a major contributor to the DIPG Registry, which is located within Cincinnati Children's Hospital. The DIPG registry is funded by non-profit organizations similar to JTHF, with the united goal to find a cure for not only DIPG cancer, but for all pediatric cancers. Join the fight and help make a difference against pediatric brain tumors by donating now.
